The main lift station is just a stone's throw away so accessing the slopes couldn't be easier. Set over two floors, the apartment is able to accommodate ten adults in five stylish en-suite bedrooms.

The top floor is where the main open plan living area is located, with two seating areas providing plenty of space to relax after a day on the slopes. Comfortable sofas are set around a large open fireplace and a bar separates the kitchen from the dining area. Magnificent views can be enjoyed from the garden or from the first floor furnished terrace.

From the fur lined chairs on the south-facing terrace to the cosy TV room on the ground floor, the chalet has plenty of space to relax. There's even a sauna on the top floor to aid recovery, making sure you are ready for another day on the mountain.

Apartment has four charming bedrooms on the ground floor with either en-suite shower rooms or bathrooms. Two of the bedrooms have French windows which open out onto the spacious garden. The master suite on the top floor has an en-suite bathroom and access to the first floor balcony. Other facilities include a shared ski room with ski lockers and an internal parking space.
