Ski Room

Apartment is a 95 sqm three bedroom bright garden apartment which gives on to its own charming lawn and south facing deck with Matterhorn views.

It is located in the very heart of Zermatt, at the end of a quiet dead-end street, next to the church and a mountain river.

There are two double bedrooms (one with twin mattresses), while the third bedroom has two single beds which can be pushed together. There is just one bathroom, with a bath-tub and separate shower and WC.

Two of the three bedrooms have French windows leading to the garden, as does the living room. The garden has a wonderful grass lawn with flower borders in the summer, and is covered in snow in the winter (depending on snow conditions). Perfect for kids whatever the season. And in its centre is the old grinding stone from the original water mill.

Sleeps 6 although it is also ideal for families. It can be rented together with Studio Mano on the same landing, which ups the capacity to 8, and / or gives you an extra bathroom. The apartment is freshly renovated featuring high quality Scandinavian style furniture and a Sonos sound system. The beds are superbly comfortable!

The kitchen with its marble work surface is spacious and open plan, with everything you might need – dishwasher, oven, hob, fridge-freezer, Nespresso machine.

And the heart of old Zermatt is literally around the corner, with numerous shops, amenities and restaurants, while the electric ski bus stop is just around the other corner. Although you are in the middle of this bustling resort, the Old Mill House sits in an oasis of calm, where the main things you will hear are bird song and the church bells.
