With a prime position in the exclusive Le Hameau development, Chalet is a beautiful family friendly chalet close to the slopes.

Contemporary luxury in an impressive location

Conveniently situated just 100 metres from the Le Rouge piste and the beginner nursery slopes, Chalet is an ideal base for families with young children just learning to ski. Spacious and contemporary in design, this stand-alone luxury chalet accommodates 15 guests in seven delightful bedrooms spread over four floors.

A spacious hallway on the second floor leads to a charming open plan living area with plenty of inviting seating and an open stone fireplace. Sliding doors open out onto a large terrace from where you can admire magnificent mountain views. A long dining table is positioned by the window and is overlooked by a well-equipped kitchen with a breakfast bar.

Welcoming you after a day on the slopes is a wellness area with an indoor hot tub, sauna and rain showers. You can also access the garden from this area. In addition to the spa, there is a TV and games room with a pool table and dartboard. A large 'L' shaped sofa set beside an open stone fireplace provides the perfect spot to unwind. There is also a small kitchen and bar area.

Chalet is home to seven beautifully furnished bedrooms. Particularly luxurious is the master bedroom on the first floor with its impressive en-suite bathroom and French windows opening onto a shared terrace. There is a second bedroom with terrace access on this floor, two twin/double bedrooms, two bunk rooms and a mezzanine double bedroom under the eaves accessed via a small staircase off the kitchen.
