Luxurious Chalet for rent in Verbier

Completed in 2016, Chalet is a stand-alone chalet with an ideal location only 100 metres from the main Rue de Médran and just over a five-minute walk from the Médran lift. Set over three floors, this superb property is able to accommodate 10 guests in five individually designed and furnished en-suite bedrooms.

This delightful chalet effortlessly combines modern furnishings with traditional alpine wood-clad walls and floors to create a vision of alpine chic. The entrance hall leads to a beautiful open-plan living and dining area. A blend of neutral tones and warm fabrics creates the perfect alpine setting, whilst floor-to-ceiling windows perfectly capture the mountain backdrop. A large 'L' shaped sofa creates a comfortable TV corner and two tempting sofas are positioned in front of the fire - perfect for post-ski relaxation.

An open-plan kitchen overlooks the dining table which seats ten people and features an exquisite lighting feature above.

The entire top floor of the chalet is dedicated to the bright and spacious master bedroom. Two sets of French windows lead to a private balcony whilst a small office and dressing area leads to an en-suite bathroom. On the ground floor are two double bedrooms (one of which can be configured as a twin). One bedroom has an en-suite shower room, the other an en-suite bathroom with a bathtub & separate shower. On the entrance level are a further two double bedrooms (one of which can be configured as a twin). Both have en-suite shower rooms. A guest WC is also located on this level.

After returning from a day's skiing you can relax any aching muscles in the hammam on the ground floor. The chalet also has a ski room and private laundry facilities.
