## Luxury Chalet near slopes in Verbier for rent

Located just a seven minute walk from Place Centrale and two minutes from the bottom of Le Rouge piste, The Chalet in Verbier offers easy access to both the slopes and the lively town centre with its many shops, bars and restaurants. Having undergone an extensive transformation and refurbishment, the chalet exudes contemporary luxury with the highest quality fixtures and fittings and custom-made furniture by Ben Whistler in London. Spread over five floors and linked by a staircase and a lift, this extensive chalet is able to accommodate 26 adults and four children in 13 stylish en-suite bedrooms.

The main living space with its open plan living and dining area is located on the first floor. A breakfast bar separates the dining area from the well-equipped kitchen and there is also an office space if you need to catch up on work. Doors open onto an expansive terrace furnished with sofas and blankets - the perfect spot to admire the magnificent views of the Grand and Petit Combin massif.

Located on the top floor, the master bedroom is exceptional offering breathtaking views from both the free-standing bath tub and the cedar hot tub on the private terrace. However all 13 bedrooms are beautifully furnished, each with an exquisite bathroom. Two of the double suites have an additional sofa bed suitable for children.

With a 10 metre pool, steam room, cold plunge pool, two treatment rooms and a large jacuzzi, it's superb spa is just one of its many highlights. There is also a large cedar hot tub on the main terrace. An alternative way to relax after hitting the slopes is by putting on a movie in the home cinema which has an oversized 'U' shaped sofa. This room also has the latest games consoles and various children's toy and

games.
