With an elevated position in the Sonalon area of Verbier, Chalet offers spectacular views over the village and surrounding peaks. Set over three floors, the chalet is able to accommodate eight guests in four charming bedrooms.

On the second floor is the open plan living area featuring old wood, natural stones, contemporary Italian furnishings and Swiss detailing, creating a vision of alpine chic. Here you can relax beside a roaring fire on the comfortable sofas or head out onto the balcony for a soak in the hot tub. There is also a dining area and a well-equipped modern kitchen on this level.

Chalet has four bedrooms. On the first floor are a master bedroom with en-suite bathroom and balcony access, a double/twin bedroom and a children's bunk room with handmade beds and a skylight. A further twin bedroom with a separate shower room is located on the second floor.

On the top floor (mezzanine) is a TV area - the ideal spot to chill out after a day on the slopes. Other features of this fantastic property include a ski room with heated boot warmers, a spacious garage and a

laundry area.
