Accommodating up to eight guests, Chalet is situated just a few minutes' walk from Les Esserts piste and a five-minute drive from the Médran lift station. Flooded with light, the contemporary design blended with modern-day comforts, provides the ultimate alpine retreat.

Set over three floors, the chalet's open-plan living and dining area is located on the first floor. In the evenings, relax by the wood-burning fireplace or host lively dinner parties in the spacious dining area. The fully-equipped kitchen, overlooking the dining table, is a chef's delight with sleek counters and bar seating.

Four well-appointed bedrooms cater to all requirements. The spacious, well-lit master bedroom includes its own seating area and benefits from a generous en-suite bathroom with a separate shower. A cosy double bedroom and versatile twin/double bedroom each have their own en-suite shower rooms. The final twin/double bedroom, which offers access to the terrace, will be highly sought after for its breathtaking morning mountain views.

Explore Chalet outdoor areas where the incredible wrap-around balcony offers endless mountain views. The outdoor dining table sits on the south-facing side of the balcony and is a complete suntrap. After an al fresco meal, make your way down to the hot tub located in the private garden for a perfect end to your evening.
