Gruezi wohl and welcome to Chalet - we are delighted to share our mountain home with you! We always dreamed of finding a secluded, tranquil place in the mountains with easy access to enjoy year-round activities. Chalet does exactly that. Built in 1933 in traditional swiss walliser style, our chalet is the perfect place to escape to the mountains.

Nestled in the tree line at 1750m and overlooking the rooftops of Zermatt, the 4* superior chalet is directly on the sunegga ski-piste. This gives access to the 450 kilometres of pistes offered by the best-known resort in Switzerland. Ski hard all day, grab a glass of red wine and sit in front of the open fire or enjoy the evening sunshine taking in the majestic views of the Matterhorn. Perfection.

If like us, you're in love with the mountains and value stunning natural surroundings, then you will fall in love with our Chalet. We look forward to welcoming you soon to Chalet and your own special piece of Switzerland.
