Luxury CHALET / CHESA for rental in St Moritz

The atmosphere is that of an old, luxurious country house; a country house in the mountains, a true St Moritz "chesa". Inside, this chalet is warm and sophisticated at the same time, with wooden floors of different cut and finishing, raw and clear in the hall and the kitchen, smooth and of a warm, dark, golden colour in the bedrooms and in the large living room. Here, velvet sofas and antique paintings bring you to another age, of noblesse and tranquillity, inviting you to enjoy a friendly after dinner chat and smoke. The rooms are all furnished with taste and attention to detail, with coordinated bed covers and quality linens. Outside, you truly are in the countryside, in tiny village where the centre is set by a fountain for farm animals, yet only 20 minutes away from the hectic St Moritz high life.

This Luxury CHALET / CHESA St Moritz can welcome up to 8 guests in three large double bedrooms and a twin bedroom, distributed on the top two floors.

Spaces are generous throughout, in the dining room which also features a separate table for kids, as well in the large playroom where younger guests will find everything for a fun time, from the latest Wii console to the good old wooden children games.

This exclusive **CHALET / CHESA St Moritz** reminds us of a romantic residence, where eternal music must have been composed one day and where life has gone by in luxury and solemnity. This is a perfect property for a large family or for a group of friends looking to host memorable dinners in a charming atmosphere.
