Chalet-style apartment with fantastic views in Verbier

Located in a quiet enclave in the centre of the village, Penthouse is convenient for the slopes, being just a two-minute walk from the main Medran lift station. Renovated in 2009, this attractive 320m² penthouse apartment occupies the top two floors of the residence. An elevator takes you straight up to the spacious entrance hall on the top floor. Here you will find a generously-sized open plan kitchen, living and dining area. Sink-in sofas surround an authentic stone fireplace and doors open onto an extensive balcony with views of the Petit Combin. The property has a laundry room and guests have access to a shared ski room with ski lockers and two internal parking spaces.

Penthouse is able to accommodate up to 10 adults and two children across six bedrooms. On the top floor is a stunning 50m² master suite with a freestanding roll-top bathtub and en-suite shower. A double bedroom with en-suite shower room and a TV room with a mezzanine double bedroom and en-suite bathroom is also located on this level. Open stairs lead down to three more bedrooms - a large double bedroom with en-suite bathroom, a twin bedroom and another double which share a shower room. This floor can also be accessed via a separate entrance.
